

Call for expression of interest for organizing side events at the WEGate Summit 2022

UPDATED 08/06/2022

We invite members of the WEGate Community to submit their applications to organize activities dedicated to women entrepreneurship under the umbrella of the WEGate Summit 2022. The WEGate Summit represents a unique opportunity for the Women Entrepreneurs community and stakeholders to take stock of the challenges and opportunities existing in the European entrepreneurial environment, and have a constructive conversation on those topics that are the most relevant at a specific moment. In 2022, the WEGate Summit will take a look at the EU environment for female entrepreneurship, assessing the challenges and opportunities regarding **current and future practices for financing women's businesses in and around the EU.**

The goal of this collaboration is to include and represent the diversity and expertise of the WEGatecommunity, providing the event as a platform for its members to promote their activities and increase their visibility at international level. Examples of potential activities are: practical workshops related to business topics; info sessions on relevant matters at national level; networking activities; panels & debates etc.

General considerations and requirements:

- **The activities should align with the theme of the summit**, and include a variety of topics and formats, in accordance with the organizing partner's experience and interest;
- The activities can take place both in-person and online **during the period 26 September - 10 October 2022**;
- They can take place in English or in the national language of the organizing partner;
- The activities should include branding elements as indicated by the WEGate team (e.g. the mention "In partnership with the WEGate Summit")
- **The partner is completely independent in organizing the activity (including financially)**, and will decide on the format and the topic. The WEGate team will support in promoting the activity in the framework of the overall communication strategy about the WEGate Summit.

Submit your expression of interest by sending a short description of the proposed activity (max 1 page), including how the activity aligns with the Summit's thematic, to Loredana Bucseanu at loredana.bucseanu@esba-europe.org by the **20th of June 2022**.
